

Want to improve your digital skills?

Would you like to learn new digital skills or improve on the skills you have?

Kent County Council's EMPOWERCARE Project has created a team of Digital Ambassadors who are ready to help people over 65 (or 50+ with at least one chronic health condition)

learn digital skills. We are holding a free Digital Skills session at Age Concern Sandwich.

Venue: Age Concern Sandwich.

Date: 9th February 2022, 10.00am - 12.00pm.

THE SESSION WILL INCLUDE:

- An overview of the EMPOWERCARE Project and the Digital Ambassador Scheme.
- Opportunity to trial different devices (Samsung Tablets and Alexa's).
- Bring your own devices for help and support.

We look forward to seeing you there!
