## The Importance of writing a Will and Estate Planning explained

Why is it important to have a Will?  
What happens if you don't have a Will?  
Who you can leave your estate to?  
Executors – who are they and what is their role?  
Obtaining Probate for an estate

Your "estate" means everything you own, including your money, property, possessions and investments.

Writing a Will is important because it's only way to ensure that after you die your "estate" goes firstly to the people and causes you love and support.
